

ASID OHIO NORTH STAR

OFFICIAL NEWSLETTER OF ASID OHIO NORTH

APRIL 2023

PRESIDENT'S LETTER

The sky is the limit.

Grab your ASID design passport and boarding pass for the next events scheduled with your ASID membership. For me, my ASID membership is about the business of design and the advantages of collaboration, achievement and forecasting. The upcoming monthly events mark those boxes with fun and relevant content. "Buckle your seat belt" for an adventurous ride sending your design goals sky high!

Collaboration:

Collaborating with our industry partners is priceless. With their support, the industry partners inspire and educate our members with the latest products and services. On April 20, we will be partnering with Trevarrow, at the Wolf and Sub-Zero showroom for a culinary journey. The event "Around the World" will feature authentic cuisine and cocktails from various countries. Come see the newest kitchen designs and appliance options at this state-of-the-art showroom.

Additionally, on May 17th we will be having a CEU day showcasing the following companies: Naturepedic, Wilsonart and INAX. Don't miss the opportunity to explore new horizons in design at these events.

Achievement:

Growing as a design professional often comes with showcasing special projects at the ASID Design Awards. Save the date for the annual meeting on September 20th at the Aviator Event Center to celebrate your successes and featured projects. The board is preparing for a fun filled evening celebrating the design community. Look for the upcoming opportunity to enter your design projects in the competition. Industry partners can feature their company through sponsorship and get noticed too.

Looking towards the future:

Over the last year we have grown our chapter and continue to be inclusive and collaborative with other design organizations in our area. As a friendly and inviting chapter to members and non-members alike, we look to the future of design and the chapter's future. In May, the annual elections will be held to move our chapter forward with new board members. This is your opportunity to donate your time and talent to shaping the future of ASID Ohio North Chapter. If you are interested in a board position or helping on a committee, I hope you will reach out to express your interest. Our chapter can best prepare for the upcoming year with your participation and ideas.
